Doublespeak (Devilspeak) or AgitProp

A Running List of Number, Syllable & Letter Database eManipulation Toward Pre-set Meanings in the Code of the Western & Hindi Global War.

This is published as a non-sequential list of words with no other meaning outside of Narcotics Terrorism used as coded secret language of Hindi, Western Narcotics Terrorists & Couriers used in Commercial Advertising & any Mass Disseminated Public News Source.

Homelessness

Anti Semitic Narrative of not having land of their own because Non Aryans live on Earth. UK Irish Hindi Pakistani Germanish (European) Political & Commercial Narcotics Organizations used the Narrative of the Jewish Diaspora as their own Narrative.

Environment, Climate

Anti Competitive Political & Commercial eSystem using the Profits & Gains of ANY Non Westerner to justify taxes, investment in terrorism, pricing & profit taking activities in Europe. World Peace Organizers were stalked & worked against in this way for the past three quarter Centuries.

Global Warming

Western Global War, Electronic Commercial & Economic Terrorism.

Animal Rights

Alien, Non Homo Sapien, Artificial Intelligence, Human Jellyfish ugly on the inside & outside, Human Experiments electronically & automatically electronically promoting & programming Violence, Promiscuity, Disease, reinforcing Pharmaceutical eSystems with ALL Assets of "Earth" listed in an Object Oriented Database. Greek Narcotics Royalty as "Gods" have problems solved with any purchased connection to this Network of Stalkers in Europe which creates Genocide, Wars, Violence, Sensationalist News Reports & Death. Europeans say, "I Love You", to their girlfriends or boyfriends with Disasters in Non Western Countries. Hindi Pakistani tried to take the "superior" position in the Narcotics Junkie Hierarchy of Europe by claiming animal status while knowingly not being able to control their bodies or minds physically.

UK Citizens had been conditioned to respond to eProgrammed (magnetically produced) "Cues" while searching for the links to the eSystem UK Citizens thought they were supposed to create before & after 11-9-2001. Hindi Pakistani went one step beyond becoming UK Citizens & tried to use as much Narcotics as possible to become the most popular eNarcotic Abuser in Europe & called themselves the "God" of these "Animals" that couldn't control themselves or control their reaction to things or people.

Hindi Pakistani tried to maintain the eSystem instead of allowing the UK EU Citizens to repent with the destruction of the Space Satellite System & claimed the EU Citizens as their "slaves" while being claimed as "slaves" in the 17th Century Context. UK Citizens who should be helping

those World Peace Organizers from Hawaii who are attacked with the use of this eSystem haven't helped because they're waiting to use this "God" as a Weapon System & "Appear" to all Non Westerners as though they were James Mitchner's "God" as Scripted in the film "Hawaii", causing what we've all seen in the Newspapers for the past 7 years or in 2000-2005, reports of Plague, Pandemic or Large Spread of Disease while only being Placeholder for their rehearsal with reports of a 6 person pandemic.

The World Peace Organizer has not maintained the "pristine" household because of the use of Space Satellite Array Systems used to experiment on her indoor "environment" to cause food spoilage or disease with any presence of dirt, dust, open food, non refrigerated foods. The World Peace Organizer has not refrigerated meats, cooked grains & has rendered this system harmless to those who would have the same "Environment" in China or Africa. The effects of this eSystem has been seen on rice when cooked or colored brown. The rice that's brown dehydrates faster than the white rice in the same pot.

Orphans, Adoptees, Security Guards, Corrections Guards

eKidnapped people in the UK, automatically responding to cues & signals they FEEL, who experience any hardship in Life call themselves Orphans. In the mind of the UK Citizens, people who were electronically linked to their parents or people who cared about them would not experience hardship. If a UK Hindi Pakistani or Irish Citizen saw someone who was experiencing hardship they would ePuppet the appearance of Commercials about Orphanages or Adoption around the person so as to direct people around them to assist or eStereotype that person. Orphanages of Africa are patronized by UK EU Citizens because they're trying to express their reality of being Orphaned & electronically cut off from their Parents at a young age instead of taking responsibility & protesting the use of Dehumanizing electronic population control.

Those who Stalk & eKidnap people electronically & physiologically take the position & incorporate themselves electronically into the mind of the Security Guard or Corrections Guards if they're Stalking someone who works in a building, Government Department or Prison. Systems of script writing & Method Actors (Methodists) has eKidnapped & made decisions for others based on Observation & Narratives of "normal" behavior to direct activity, movement & decisions in the United States Government that takes direction from an Illegal Narcotics Government ePuppeting from Outside of the United States. Direction came from the day-to-day lives of Narcotics Vagrants in the Caribbean Islands for a time until the Vagrants in the UK & Ireland wanted to claim "rule" of Europe themselves. The Cayman Islands were used to signal European Political & Commercial Narcotics Organization Activity & Narcotics Activity in Hong Kong. Hong Kong's Narcotics Activity is street name & key name Matricized City linked to Alexandria, Virginia.

Economy, Price of Oil

Conversation of or about the Health Status, Well Being of a Patient, Country, City or segment of a Targeted Population. Oil for Food was a Conversation of Bordellos, Kiddie Porn Workers immigrants of European Sex for Food Scandals, Kidnappings & Murders of Highly Publicized Illiterate Illegal Immigrant Kiddie Porn Workers.

Analysis of these Conversations would expose the fact that the conversations aren't designed to solve problems & could in fact be as pointless or meaningless as a conversation on a Relationship or a Person as discussed above.

Re-Education, Public Education

Kidnapping, brain washing, hazing of Narcotics Communities with concurrent News of Kidnapping or Gitmo to reinforce “eDebriefing” or eBrainwashing of Klu Klux Klan, Ivy League Greek Fraternity Pledges Students following UKPM Bliar’s Activities.

Free Choice

Ability to possess Sentient Thought, ability Choose Friends, Lifestyle, Sexual Orientation. All conversations on Choice were used to influence the decision to use Space Satellite Systems to Control & Dictate Activity of Life OF Earth.

Global

Anything of the Narcotics Terrorist planned Third World War as Pandemic, Epi-demic. Globe Stage was the stage idealized as the Center of the Actor’s Narcotics Terrorist Political & Commercial Organization’s Stage.

Placeholders in the form of Expatriates, those of Non Indigenous Ancestry were placed in Companies & Countries to signal future plans of the European Theater Campaign segment of the repeat of WWI & WWII. News reports of 6 person Pandemics or Epidemics, advertising that doesn’t make sense have been seen since 1999 as part of this system of ePuppeting of Non Western Assets to signal events in the Future.

Paranoid Schizophrenic eNarcotics Stalkers would read into any signal or advertisement at though it were “placed” in their City as part of a Clandestine Plan. Key Name murders & theft would occur as though it were meaningful to anyone reading news & looking for signals. The Paranoid Schizophrenic eNarcotics Stalkers are a small group of Hindi & Westerners who only speak to their own group & show off to each other with ePuppeting of News Reports, Headlines & use a schedule of Advertisements & Television Programming to “freak” each other out.

Paranoia is part of the eNarcotic News Junkie Paranoid Schizophrenic eNarcotics Stalkers try to maintain as their “Edge”. The television sit-com, “Seinfeld”, was used to signal tightly scripted & scheduled events & reports leading up to & after 11-9-2001. Hindi obsess on the programming & schedule of the reruns as though it automatically program or repeat 11-9-2001 elsewhere. These events, reports, Policy Conversations & the schedule of any period of time in the 1990's has effectively Kidnapped the GOP & DNC, obfuscated fact & hampered the Constitutional Government’s ability to Solve Problems Domestically & Internationally. Repeated conversations on the Environment, Price of Oil & the “Economy” are examples of this Linear eProgramming the Hindi & Gay Community had tried to affect with control of News Agency Reports, Headlines & Schedules.

Auora

Method of detection of Narcotics Stalkers. There’s no such thing as a person’s Aura when Electronic Manipulation & Stalking is involved. Electronic stalkers don’t allow a person’s natural magnetic or electronic signature express itself.

Intuition, Inclination, Devine Wisdom

An electronic manipulation of a brain to receive stolen “intelligence”, information & physical direction from Weaponized Space Satellite Systems. Western Legislators, Evangelists, Business Investors & Hindi Pakistani use this system to “compete” with Political & Commercial opposition. The Anti Competitive Political & Commercial eSystem uses News Reports, Key

Words & Key Phrases, Narcotics Terrorist Intelligence on the Habits & Schedule of Competition so as to influence decisions, purchases & spending toward Poverty or Disaster to solely to express the fact of the European & Western Civilization existence as a Contrived Calculated Disaster.

Nuclear Fusion, Cold Fusion, Instant Car-ma, Nuclear Family, eViagra, Green Energy, Free Energy

The Development of a Self-Sustaining Island Economy created research & development of Green Energy Sources which were not publically endorsed until the release of Information on Cold Fusion in the United States. The 1990's Cold Fusion Advocates & Scientists were linked to Hawaii Non Western World Peace Organizers, matricized against, Commercially Targeted & Stalked for the purpose of providing game for Anti Semitic Narcotics Terrorists & then for the purpose of providing an Ego Boost to Hindi Serfs who were directing the IE Hindi UK EU Actor's Narcotics Terrorist Activity, United States Military, Israel Iraq Wars & Regional Violence. A casualty of this War of the Mind in the Mind of the Narcotics Terrorists used as simple bi-directional Weapons of Mass Destruction linked to an Object Oriented Database of Information on Populations was the late, Eugene Mallove in 2004.

Nuclear Family is another way of saying a Family is connected to an Event Horizon of an Industry Changing Invention, World Peace Plan or Political Change. Many Families linked to World Peace were targeted, stalked with Communications & Socialization tightly controlled in the 1980's so as to create a Database Matrices of Key Names & Key Words to use in plans leading up to 11-9-2001. The same people were linked to inventors, Scientists & Politicians who were supposed to prepare everyone for the advent of the ability to create a Whole New World, perhaps a New M Class Planet within our Galaxy or the ability to heal human abuse of the Earth's Environment which would assist in reinforcing the Earth's Self Reinforcing BioSphere. Nuclear Families that were targeted & stalked were supposed to be responsible for the New Green Economy, Free Internet Economy & United States Treasury Measurement of the Gross Domestic Product.

Irish Hindi UK European Actors, Writers, Marketers, Real Estates Agents, Travel & Temp Agencies thought to capitalize on any symbolism of the play on words in the stock market & by 1986 had developed a Point of Sale Earth System that would schedule events & market movement based on the amount spent in Non Western Countries & Stalked & Targeted Businesses to then place Counter Pricing Pressure on the Staple Commodities & the ability for Non Western Countries to compete.

Care was taken to direct those of high natural intelligence for mathematics away from the path of the Narcotics Activity to avoid a linear derived Disaster with any Database Based Conversation on Cold Fusion & Nuclear Reactions which create the metals & mineral of Planets.

Gay Community & Pedophiles were created & directed toward stalking & terrorizing the Young Kids of these Families toward Promiscuity, Spending & unsafe behavior. Information about this Virtual & De Facto Kidnapping spread in Europe in the 1990's to create a cult like following of original Pedophiles & Stalkers of these Families that would otherwise be rich & famous if it were not for the intervention of the Stalkers, European Political & Commercial Narcotics Terrorist Organizations.

Ideas for Inventions are believed to have been Intercepted by what is known on the Internet as J "squatters", qualified & professional UK Agents, & "placed" in the minds of Key Named People. These Key Named People include Bill Gates, Eugene Mallove, Lee Case, Ronald Parker, Jean-

Paul Biberian, & Kevin Wolf as examples. The information for Inventions of the 1980's & 1990's is believed to have come from Non Western Countries like Japan, China, Korea & Asia Pacific. Countries, Politicians & Businesses were favored with ability & wherewithal to make progress on their Invention & Ideas. The ECHELON Space Satellite System & Weaponized Space Satellite Systems are believed to have been in place while linked to an Object Oriented Database since 1974 with Human Experimentation on Brain Manipulation & direction already completed..

Today, these “squatters” are an unprofessional band of Narcotics Junkies & Macho Chauvinistic Female Hating Gay Hindi Pakistan, Irish, & Northern European electronic Kidnappers or eKidnappers working with Actors, Marketers, Tabloid Journalists & Ivy League Graduates & hopefuls who use the Actors, EU Royalty, Sports Talent, Musicians & popular “Stars” to play at protecting the Industrial Industry Companies & Post WWII Businesses as though it were from the minds of the EU Royalty & the only plan scheduled for the 2001 Day of International Peace. No other group has attacked population of People for the past 27 years with ePuppeting & eManipulation to include the Israel & Iraq War, racist attacks & News & Speeches of Politicians & Communities.

IE Hindi UK Northern European Actors used an eNarcotic to promote themselves in the Narcotics Stalker Community to create attractiveness or a “stickiness” to themselves while mentally targeting Kids, any Family of Money or any power in their Community. Stalkers would target Key Named Kids & People while thinking of the actors these people would see in Films, Television or Magazines & News. News Anchors & Public Personalities were used the same way. The Narcotics Stalkers, Narcotics Community Actors, Screen writers, Reporters, Marketers, those using the eNarcotic to enhance their attractiveness or their Product, considered themselves an Nuclear Family to match or counter with the use of the eLink to the Object Oriented Database which would, with an electronic link to the minds of those they’re stalking, automatically eProgram the thoughts of those they stalked.

Drama playing out in the lives of the Narcotics Stalker & those the Narcotics Stalker used as a “mascot” or guide for Narcotics Plans would be projected in the lives of the Targets without necessarily making sense. In the 1990's before & after 11-9-2001, the Hindi Pakistani had become mentally disabled as a result of spying on the UK Royalty & have since been schizophrenic & intentionally obstructed justice for others as a way to try to gain favor in Europe. The United States & National Hindi Pakistani Community has participated in the Actor’s lives to claim to be “Ruling” Europe & have created schizophrenia in many Actors, Politicians & Public Personalities toward extreme dehumanization & personality changes. Hindi Pakistani were asked to stop stalking, are the only group of Terrorists talked about in the News while talking about Muslims so as express the problems of the European Union & the Hindi Pakistani Community.

eViagra has been created as an attempt to sustain the interest & monies of the Elderly Indigent Senior Citizens & Pedophiles of Europe from within the Kiddie Porn Bordellos & Narcotics Terrorist Community mentioned here. The eViagra eSystem uses the Hindi & Narcotics Kiddie Porn Bordellos & Gay Community, Gay Pedophiles & the psychic energies generated with the activity of this Community of People who are literally eProgrammed to be anal retentive, Drama Seeking with the automatic inclination toward sexual activity when Key Phrases or Issues appear in Conversation toward the “capture” or discovery of information linked to Inventions, Large Underground Projects or Influential Politicians. eViagra has been talked about while others talked about Nuclear Fusion as Free Energy or Green Energy which came from the use the Gay

Communities eManipulation Techniques, large sources of Electricity & Space Satellite Systems. The eViagra eSystem is also the same electronic Network as those Sports Players using electricity as an eSteroid that has caused enlarged heart size in Athletes with the combined use of Oral Steroids. ANY appearance of a Non Westerner in Political & Commercial Business Meetings, Films & Television signals Pedophilia to those of the Old European Community.

Genetic Research

Hindi Brain Industry that ePrograms, Dehumanizes, Bastardizes any Life OF Earth to provide Hindi with claim of Rule of Earth for Europe. Patenting Gene Conversations have been about repeating the pattern of manipulation & “indoctrination” in Narcotics Terrorist stalking of a Targeted person toward total manipulation & control of internal organs, personal expression. Hindi thought they could “patent” this system of Personalized Terrorism on the non existent Underground or European Black Market. Hindi don’t care about Non Europeans. Hindi Pakistani work is always sloppy, based on lies & exponential fraud to signal the UK & EU Constitutional Government lies & fraud.

UK Citizens thought they were being directed (as though directed by “God” with the use of their eSystem eProgrammed by Hindi Pakistani or any enemy of the UK) to dehumanize & objectify people as though they were things, reducing people to photos or graphics in trying to manipulate the genetic structure with the computerized manipulation of pixels. The Advent of Pixel Advertising began in the UK to signal this activity.

Clone Wars, Dreamworks, Dreamweaver, MacroMedia

eNarcotic Terrorists, Stalkers & Infiltration “Agents” “cloned” the Likeness of others to electronically represent Stalked & Targeted people in their own minds so as to think like them, interpret their environment & household interior & Schedule of Activity with the Stalked & Targeted person’s perspective & then make decisions for that Stalked & Targeted person on a Schedule that was timed & Coordinated with other events that would cause paranoia or signal the composition of a statement or direction for future activity or events.

The Hindi Pakistani tried to maintain the Paranoia eNarcotic as a way to create Narcotics Addiction & “followers” of News Headlines & Reports that would have something to do with the person Stalked or Targeted. Newspaper Agencies these eNarcotics Stalkers would patronize would have subscribers who were “addicted” to the news as the Newspapers would always be talking about Companies & News the Stalked & Targeted people would be interested in. Narcotics Junkies, eSystem users Abused this eNarcotics System with their focus on the High End Companies, causing eLinks to the Brains of those following the news on the Companies they invested in while only concerned with their bottom line.

The Gay Community & Hindi Pakistani ePuppeting the News Reports that neglect the issues of Communities of Immediate Need in favor of the meaningless reports on the Bottom Line of Large Companies.

The only paranoid Community of People waging a War against those who don’t own Large Corporations are those using eNarcotics or an eSystem & have effectively tried to eKidnap people with News & Reports that haven’t solved problems for the past 27 to 37 years.

Stalking & ePuppeting had manifested in Businesses & News Agencies to the point of being able to schedule changes in Internal & External Systems at the same time while not having anything to do with the other Companies making changes or improvements to their system. The Network of eNarcotics Stalkers participated in the Monopolization creation of this eSystem & are ‘captivated’ by what they witness as their “Power” to make changes in Companies, Government

as though it were possible to control Countries & Corporations, Universities on a Macro Level like one changes or controls a Database Generated Website.

Crack Baby

Hindi, eNarcotics Terrorists, Actors, Gay Community, Humanoid eSteroids & Humanoid eViagra, Frauds trying to justify any eDehumanization, Genocide Hunger, Suffering, Disease & crime on Earth with FEELING of Superiority. Hindi, eNarcotics Terrorists, Actors, Gay Community, Humanoid eSteroids & Humanoid eViagra, Frauds willingly participating in eSystem Manipulation & Dehumanization imposed upon them without their initial consent. Narcotics Terrorists, the Gay Community advocate for Non Humanoid victims of circumstance only to express their own situation without intent of solving their problem. Problems of Hindi, Narcotics Terrorists & Gay Community eProgram Narcotics Addiction & ePush bad habits.

Child Abuse, Incest, Kidnapping, Human Trafficking

Actors complaining of being eManipulated for the sexual enhancement of Europeans, Hindi Pakistani & any “Fans” without intent of solving the Actor’s problems.

Native Indigenous

Non eNarcotics Users. eNarcotics users, Hindi Pakistani use the mention of this phrase as a reason to attack anyone advocating for the Native Indigenous of any land. eNarcotics Abusers aren’t the Native Indigenous of Earth.

Bicycling, Pedophile

Pedophiles use bicycle riders & use as a way to express their presence & habit of abuse of Life OF Earth with the Sado Masochistic abuse of the Future of Life OF Earth. Bicycle advocates are elected to Public Office to signal Narcotics Terrorist Pedophile Activity. President Eisenhower’s wheelchair was used to represent or signal the use of a Narcotics Pedophile Terrorist Stalking System in the Eastern Hemisphere as described above as Powers That “Be”, Prevailing Winds, Devine Wisdom.

Double Take, Virgin Soil, 20th Century Fox, Orwellian

Advanced News & Stalking of Targeted people, Green Economy Inventions & Industries, Free Internet Economy products & Companies were anticipated with the signal of 20th Century Fox. It’s the 21st Century, all Constitutional Government Planning & Development in the United States has prepared for the advent of the 21st Century Slim Government & Military Oversight from & with the United Nations as a Peace Keeping Force.

The Double Take is what the European Political & Commercial Organizations participated in & signaled with any spike in Commodity Pricing, Salaries, “Pie in the Sky” & Large Scale plans that didn’t make sense upon first exposure & used up mass quantities of money & Venture Capital Attentions. The idea was to waste time & money of those defending Constitutional Democracies & any source of Stability for any Country which reinforces the Key Named & Key Worded High End Pharmaceutical Industry.

Systems of Stalking, Schedules of News Reports reinforced the Internal Mental Drama & Psychological weaknesses of any targeted or At-Risk Community to reinforce the Narcotics Terrorist’s Orwellian version of Reality. All activities & events were matricized from the films & products of the WWI Era, Hollywood Films & lives of Writers, Actors, Directors & Producers with any name or any product. Narcotics Terrorist Plans were coded with the use of Warner

Brothers Looney-Toon Cartoons to the point of being able to find an identifiable link to the events of the day or the “theme” of the scheduled News Reports.

Use of Syllable, Letter & Numbers in a Database Matricies linked to the Signals & Meanings of the Narcotics Terrorist Code were Transmitted in all Languages to affect Popular Culture of the Narcotics Terrorist Stalker Activities, Terrorism of Artists, Cartoonists & News Reporters to represent the Western Oxymoron Supremacist view of themselves as the “Center of the Universe”, or Galaxy as it would apply to India’s public & failed ambitions.

Patriot Act

The European Union had already created a Document called the Constitution of the European Commission or the European Union Constitution which is written in Cult Language. United States Legislators & White House Staff were directed to cause events & conversations that would provide for Key Name Direction of Narcotics Terrorists in what is called the “Patriot Act”, or the White House intent to Act as though Patriotic while Profit Taking & creating wealth that would be against any working Constitutional Democracy, Regulation & Protection for Citizens of Non Western Ancestry.

Narcotics Terrorist worked on a Writer’s System or “Pension” eSystem which directed thought, ePuppeted Activity to disseminate information on a large scale to anyone inclined to write or report on the Day-to-Day Activities of their Community. This Mass Dissemination of information was supposed to be part of the UK version of the World Peace Organizer’s 1950's Japan World Peace Plan & was intercepted, derived & used by the Narcotics Terrorists to disseminate information on the eNarcotics Fad.

The use of Electricity combined with knowledge of Human Experiments created the ability to load a Database based Matrices of Key Phrases, Words & Numbers as signals that would then ePuppet Conversations & Events. European Union Political & Commercial Narcotics Community or the “Elite” as they’re known in the monied Community of the Western Countries, thought it would be appropriate to serve in Public Office as Political “Actors”, ePuppets who take direction from the News Agencies as protectors of their “Good” reputation while ePuppeting of Crime, Abuse, Violence, Promiscuity, unsafe Sex, Economic Terrorism & Genocide happened as a result of their Electronically linked daily activities, purchases & publically known War Intentions. After this system of Screen Writers ePuppeting Reports & Activity Internationally were assembled in the European Union in the 1900's creating what’s publicized with CNN & what’s called the “Situation Room”, the Patriot Act was “put in place” to reinforce the self-perception of the Narcotics Stalkers watching the White House & Legislators on C-Span for direction or their “presence”.

OnStar Network, OnCommand, Star Wars

General Electric’s website advertised the Invention the Europeans tried to assemble with the use of Electricity & Narcotics Abusing Stalker Brain Control & Bordello “agents” The OnStar Network was Commercial representation & signal to the Narcotics Stalkers to use the Actors as a “Mask” or eNarcotic to find out in what direction to attack. “Team America”, signaling product. To create the Feeling of being Greek Gods who don’t have to work for their money, Narcotics Terrorist or the “Elite” of Europe directed Narcotics Terrorists to stalk Kids from Key Named School Districts are stalked & terrorized toward the path of European Pedophile Interests or the At-Risk & Poverty Profile. The Profile of Key Named & Key Location Kids of interest would find it’s way to the Actor’s Community & signal an “up & coming” Star the European Community would look for & Compete with Socially & Commercially as has been happening for

the past 27 years with the Regan Administration, Iraq War's Terra Star Wars Stock Market eGaming eSystem , & film "Star Wars" as the backdrop. Stock Market Activity was also used as a source of Signaling for the Narcotics Terrorists ePuppeting any Activity for the "Elite" symbolically in the Iraq War.

Nature Conservancy, Preservation

UK Period Actors tried to maintain a routine & eSystem of thought that results in Racism, Prejudice & Class Warfare. Routines of Old Europe, UK Government & Law Enforcement were reinforced in Film & on Stage to electronically maintain a foundation of "morals", "standards" & acceptable behavior for those who were **paranoid about losing their mind & going insane** when the UK EU WWII Theater Campaign began after the new millennia.

The eSystem of Commercial & Personalized Terrorism maintained an Anti Competitive Political & Commercial System now represented in Weather Scarcity creation, the manipulation of the Environment of Environmental Controls. BioMetric Database Based Array Systems eMaintain physical aesthetics of Actors & was developed as a Commercial Product of the UK underground which eLinks the participants to a Weaponized Space Satellite System that ePushes violence, genocide, death & disease.

The EU Dehumanizing eSystem "preserves" the Old European Racism, electronic patterned thought & dominance of Europeans in Europe.

Reservations

Restaurant, Entertainment Venue & Stock Purchases are part of a System of eAttack the Colossal Chicken Hindi Western System of Commerce uses to attack Native Indigenous of any land. The Native Americans have been attacked by the Hindi Pakistani Community, the European Countries News & Advertising Matrices & ALL Stock Market Activity Electronically.

Zero "In"

Lingo used in the eNarcotics Community to signal Internationally or Locally targeted people. Business Language has been database manipulated, as the Bible has been manipulated, to direct Narcotics Terrorist Activity. Profiles of the Impoverished Countries & people living in poverty are used to direct all Narcotics Terrorist & Stalking Activity which ePuppets Targeted people toward this demographic. United States Census.gov information & Monthly Crime Reports are used to gauge the success of the Programmed, Scheduled & Matricized attacks so as to fit a pre-written Screen Play or storyline of World War II & provide the Westerners with a Epic Historical Reference to an 1000 year War instead of the rise of Eastern Civilization OF Earth.

Hot Spots

This term was used to focus on activities in Regions of Earth experiencing Severe Weather Conditions or Natural Disasters. The term was used to discuss Neighborhoods or Key Named Families experiencing Domestic Violence. Bad Habits, Crimes & Conspiracies of Westerners are eCovered to be used as a eWeapon while acting innocent when something Automatically eProgrammed cause Violence & a Terrorist Disaster. Westerners claim credit for these events of Financial Stress & Physical Insecurity by claiming to have, "been there" or at an coordinated & scheduled event.

Subjects

Narcotics Terrorist Stalkers use the Space Satellite System to invade the privacy of & ePuppet

activity of Kids they're stalking or keeping track of for the purpose of creating a story for a Novel, Film or Pattern of another person's Life. Narcotics Terrorist Stalkers are used on the Ground. The UK Planned to Rule Earth & shared this eStalking System with the Europeans with the plan of making all Citizens of Non-European Countries "subjects" of their Royalty while officially claiming to have receded their Royalty to the status of a Symbol or "prop".

RK Rowling was given information on the Narrative of the World Peace Organizer for the books on Gay Narcotics Stalker Terrorist Paganism called, "Harry Potter". Potter is both the name of the Lesbian friend of the World Peace Organizer & the name of the Banker in "It's a Wonderful Life", the signal of Genocide & the FAILED attempt at re-writing History toward a Western Centric Reality. Commercial Activity behind any "Cult Classic" attacked the World Peace Organizer & ALL Non Westerners while they defended Democracy & Christianity. The Narcotics Pedophile Theft Pagan Cult is exactly what's attacking Democracy & Ending Christianity toward Asian Centric Balanced Naturally Organically Reinforced Life OF Earth.

Path-e-tic, Historical Record, West Side Story, "2001 Space Odessy"

All activity of the UK Actors, Narcotics Terrorist Stalkers, European Expatriates & those sympathetic to the Old Europeans was programmed & scheduled around the advent of the World Peace Organizer's, or any stalked & terrorized Non Westerner's, anticipated Epic Book which would define Western Civilization.

The Narcotics Pedophile Theft Terrorism of the World Peace Organizer who didn't harbor any bad thoughts, wasn't pre-disposed toward or against prophesied or Westerners, has exposed all fact to the World Peace Organizer toward the exact definition & physical representation of Western Civilization if not simply UK or EU Citizens & Hindi Pakistani.

The World Peace Organizer's first short story was about the anticipated "Green Economy". The World Peace Organizer wrote a story about the way a Community Maintained Wealth & Happiness with the sale & production of Crap, Stew, Fecies. Nobody would be unhappy as long as they ate & if they ate they would always have money in the form of crap traded as currency. The UK Citizens obsessed on the World Peace Organizer's Contacts & Narrative as though it were the path for the Narcotics Terrorists & World Domination while only being the path toward World Peace.

Path-e-tic Westerners used all known Intelligence & World War Plans to attack everyone on Earth as though it were anything other than **electronic representation of exactly** what World War I Planners planned. Instead of Dominance in a balanced & well rounded Relationship, Hindi Pakistani & Westerners tried to Dominate in Politics & Commerce with eKidnapping & the creation of an AOL Earth. TaserCops were created with people set up as Artificial Intelligence & a Database linked Bi-Polar Yes No, Win Lose, Superior Inferior Sports Player's Brain. TaserCops would argue with people for dominance in conversation instead of listening to a person's words to provide safety, guidance, communicate or resolve problems.

The Western Narcotics Terrorists tried to control anything Published, Written, Scribbled or Produced as though deathly afraid of being Called Stupid Publically with the Epics prophesized to appear about Western Civilization in the New Millennia.

Western Narcotics Terrorists developed a Conspiracy about & around "2001 Space Odessy", the Computer Y2K scare, eTerrorism & eManipulation called "software security", any plans to build a Space Station & a fraud of future projections of Population eControl & Non Western Narcotics Abusers to use in motivating any attacks against Non Westerners in the Lame eProgrammed Sequel of World War II based on the work of the Targeted & Stalked World Peace Organizer's work of Epic Proportion. Hindi Pakistani trying to control Europe electronically, pushed the use

of the eSystem & all WWII New Millennia Plans to Terrorize the World Peace Organizer towards what was being automatically directed toward organic resolution & non-existence which is what the World Peace Organizer wanted as World Peace requires the resolution of ALL Problems of Civilization, Society & Life OF Earth.

This is an instance where the English phrase, “You get what you pay for” applies to the UK EU Narcotics Terrorists trying to force the World Peace Organizer to Defend Christianity with a unwanted Christian Reformation or Prophesized Christian Crusade. The World Peace Organizer was matricized to publicize a 1950's Japan World Peace Plan which included a European Reformation with a Multi Ancestral Religious Crusade, a Cleansed & Pristine System of Constitutional Democracy as a “Gift” from Asia with respect & regards from Leadership of Asia.

Endocrine System, End Game, High End

Western work on the Electronic Manipulation of Homo Sapient internal organs created Disease, Deformities & Dysfunction the Narcotics Terrorists wanted to use to support the Pharmaceutical Industry. The use of illegal experimentation put together at the last minute with the use of work from Artists who experimented on cadavers in physically reproducing all internal organs of the Homo Sapient body & experiments of Object Oriented Database Control of Life OF Earth as a result of at least three decades of practice had created a Weapon of Mass Destruction of Films, Photographs, Graphic Arts & High End Narcotics Abuse.

Bodyworlds.com is a visual aid to the “super freaks” who were used to create a “master” or “control” for the remote control system that targeted specific parts of the body & mapped out the Endocrine System while simultaneously mapping out the End Game of World War II’s Sequel. The High End Commercial Business Organizations, Old European Political Advocates promoted & ePushed Activity on a schedule which targeted the Physical Instability of California signaled in Commercial Products such as “Calgon” & “Shake & Bake” which would produce an Earthquake which would end the Hawaiian Island’s existence & threat of exposure of ALL Western War Plans as matricized with the key names & key words of United States Military Bases which signaled the World Peace Plan the Westerners had been using to gain any intelligence in any industry.

Poor, Sorry, Underserved, Undereducated, Homeless, Diaspora

Irish Hindi UK EU Western Citizens eNarcotics Terrorists wanted to Cover up their Anti Semitic World War Plans & electronically manipulated themselves to possess bad manners, use bad English & automatically spread bad habits while make believing they’re cultured, refined of Lineage or of any Self Respecting Self Actualized Homo Sapeint Life OF Earth. **All conversations & reports of the Poor, Impoverished or Disadvantaged were used to talk about the eNarcotics Terrorists described above.** Reports of War & Disaster, Homelessness or the Diaspora as not having a land of their own, Hardship & Fundraising is being used to signal, support or fundraise for Narcotics Terrorism.

Counter Intelligence

United States CIA past practice of manipulating populations by Key Named Streets, Zip Codes, Occupation to produce dependence or purchase of pharmaceuticals. This routine of pharmaceutical purchases in the Upper Income Community was linked to the purchases of Narcotic from the High End Narcotics Terrorist Neural Network.

Software, Spyware, Copyright

The Hindi Pakistani terrorized & dehumanized populations of the United States, Stalked the Software Executives & tried to control all development of Businesses & Organizations to signal the exact same dysfunction of India as though it would cause people to care about India which hasn't exhibited any intent to solve problems or do anything other than reinforce dysfunction, bureaucracy, genocide, crime & disease for the past three quarter decades. Hindi Pakistani developed a way of Communication that would communicate activities of the Narcotics Terrorists Activity & Terrorism instead of the reality of their immediate situation. Hindi Pakistani in Non Hindi Pakistani Businesses communicate while referencing the activity of the Narcotics Terrorism of Stalked, Targeted, Dehumanized & Economically Terrorized World Peace Organizers & Non Westerners. European Union Companies working with the Hind communicate & advertise the same activity.

Spyware is the Hindi Pakistani electronic presence on the targeted & dehumanized person's body.

Copyright is what the UK EU Citizens believe is their Birthright, the right to copy any intelligence or intelligent way of being & use as their own the inventions & ideas, ways of thinking that produce intelligence as an act of War & ePush of Genocide Plans. Many Western Companies & Advertising Campaigns use the way of thinking which creates intelligence as stolen from the Narrative of those World Peace Organizers of Non Western Ancestry who are Internationally Stalked & Terrorized.

UK EU Actors & Politicians wanted to earn money from the "interest", meaning, they would become popular with the use of the "lingo" or the habits of those successful well liked World Peace Organizers who are being targeted as representatives of Non Western Countries & Companies attacked & terrorized with "Natural Disasters" & Manufactured Wars.

Natural Disasters

Anything Natural has been seen as a threat to eNarcotics users & Western Planners by virtue of the fact that Earth & the Natural World is automatically attractive & appealing.

The eNarcotics Terrorist's path toward War created a series of events that has disrupted Natural Organic Healing of their Homo Sapiens presence on Earth & created their self perception of a Natural Disaster.

ALL News stories of Natural Disasters are manipulated to signal the Natural Disaster as a person reporting or stalking the reporter while writing the news story.

PI-MP

The person of Artificial Intelligence named Blair who represented the use of HAARP Resonance & brainwashing in the European Union & was directed to be sexual in order to become the UKPM from the Labor Party. Blair didn't have anything to do while in office because all operations of the UK Government were being used to direct Narcotics Terrorist Activity from Bordellos, Real Estate & the Travel Industry at the time. Blair's only concern for the past 10 years has been to glamorize the UK & publicize any Commercial Underground Product that would bring the highest high bidder a Respectable Prostitute known as "European Actors". Blair & Blair's Hindi-aspiring-to-the-Ivy-League followers claimed responsibility & therefore ownership of the Clinton Family's 1990's success.

Gitmo & Abugrahib (MP's) were eProgrammed to follow activity of the Western Narcotics Terrorist Sado Masochistic Political & Commercial Organization Leadership or "Elite" around

the activities of Blair while UKPM.

All racists have been programmed from these Sado Masochistic Kiddie Porn Artists who were taught to say racist anti semtic things as duplicated in scenes of many Iraq Soldier Videos of Soldiers teaching the Iraqi kids how to curse & talk tough.
